TENECELA INTRIAGO ANGELICA MICHELLE

ZHIÑIN SABANDO CARLA MARBELLA

DOCENTE:

ING. MOREIRA MEJIA LUIS LEONARDO

GROUP WORK

- **Once I went on a trip to a certain place with a group of friends to explore that location. Coincidentally, there was a party going on, and we decided to attend the event. Fortunately, we found a spot even though it was crowded. Someone in our group lost something, but luckily, we managed to find it. Miraculously, nobody had picked it up. We had a great time, but sadly, we had to return.**
